

Chicagoland MUN Skills Class

What is Model UN?

Model UN or **MUN**, is an educational simulation and academic competition in which students learn about diplomacy, international relations, and the United Nations.

The **MUN Skills Class** hones student skills in public speaking, negotiation, analysis and writing through exploration of global affairs, non-violent conflict resolution, and collaborative debate and decision making, with the goal of preparing students to participate in Model UN conferences.

Open House

Interested in learning more? Come to our **free** Open House in the Budlong Woods Library Meeting Room on Wednesday September 16th from 4-6pm. The MUN Skills Class is for students age 11 and up who are new to Model UN, or who are interested in improving their Model UN skills.
